RE: COLLEGE BOARD SAT 1 AND 2 EXAMINATIONS

Dear Parents and Students

The SAT 1 and 2 examinations are intended to be taken by students planning to attend US Colleges or Universities after High School Graduation. Many Middle Eastern Universities also require these tests as part of their admission requirements. They may also require the TOEFL for admission for non-US residents.

The SAT 1 is the Basic Reasoning Test that measures verbal and mathematical reasoning abilities and will take approximately three hours and forty five minutes to complete. The SAT 2 consists of one hour long subject area tests. Grade 12 students planning to take the SAT 1 and SAT 2 for College admission are advised to take this during fall. Due to the length of the tests, the SAT 1 and SAT 2 cannot be taken on the same day.

Fees for the test are as follows: SAT Reasoning Test - \$45; SAT Subject Tests – Basic Registration Fee - \$20; All other Subject tests – add \$9 per test to basic registration fee. Language Tests with Listening - \$20. There is an additional International processing fee (for students testing in countries other than the United States) of \$26
